The model Janice is wearing was made using the stitch pattern described below. In the variation Janice is holding, she used a condo-knitting technique. In this technique, the two needles are *not* the same size, so alternate rows were knit with either a US size #8 or a US size #13, producing a unique garter stitch in which every other row is elongated with no extra effort or extra wraps.

## Instructions

CO 18 (14, 10) sts in sport (heavy worsted, bulky) weight yarn.

Repeat the following row until the scarf is 46" long (or desired length):

Pattern Row: Work (K2, P2) across, end K2.

Separate sts into 2 sets of 9 (7, 5) by placing every other stitch on needle and remaining stitches on a holder.

With the 9 (7, 5) sts on the needle, work 8 rows of garter stitch knit knitting every row, then place these sts on the other holder.

Move the 9 (7, 5) sts from the first holder to a needle and work 8 rows of garter stitch.

Merge the sts back together by knitting one from the needle, then one from the holder.

Work the pattern row for another 5" and bind off.
